

Dear fellow SASCRO members,

I'm delighted to let you know that the Hospice Palliative Care Association of South Africa (HPCA) has affiliated with the South African Journal of Oncology (SAJO). The section editor for manuscripts on palliative care is Dr Henriette Burger of the University of Stellenbosch.

The journal has grown to have affiliations with the professional societies of Clinical Oncology and Radiation Oncology, Paediatric Oncology, Clinical Haematology, Palliative Care in Oncology and Medical Physics and Biology through SASCRO, SACCSG, SACHaS, HPCA and SAAMPB. Links to the web pages of these organizations can be found on the SAJO home page at <https://sajo.org.za/index.php/sajo/>

The latest publication in SAJO is:

- Holistic sexuality post gynaecological cancer treatment: A review of recent literature by Sorrel C. Pitcher, Tracey Adams, Leon van Wijk, Nazia Fokie, Rakiya Saidu, Lynette Denny, Jennifer Moodley <https://sajo.org.za/index.php/sajo/article/view/40>

The articles in press are:

- Metachronous endobronchial metastasis from uterine cervical adenocarcinoma
By Harry Daling
- Mammography screening and age-related risk factors for breast cancer in Nigerian women: Implications for health education campaigns
By Eric Umeh, Kanayo Umeh, Ebubedike R. Uzoamaka, Ezeugbor F. Chiamaka, Anene N. Chukwuziem
- Malignant peripheral nerve sheath tumours and NF1: A case series and recommendations for care
